StaffGiant understands the dynamics attached to talent acquisition, relationship management and the required service levels within the industry. Recruitment is a people-focused business – our success and growth are reliant upon our people.

We believe that every company is as unique as is every individual. We adapt to any requests you may have. Staff Giant will find the ideal candidate to fit your company's needs. Our mandate is to provide you with added-value service. We can offer a blend of services based upon the specific needs of each position and create a recruiting plan that suits your budget, strategic hiring plans, and staffing needs.

StaffGiant offers four different recruitment services to fit all needs of our clients

Our
Solutions

SG Deploy [RPO]

We can Help You with your workforce development, there's no reason why you should have to expend valuable assets on workforce development when staff giant Services is there for you.

RPO is newer concept that succeed traditional recruitment and pocket ripping agency /contingency recruitment. When you hire our RPO services, you'll be hiring a full-time, full-service team of competent and efficient skills specialists who will stay on top of all of your staffing concerns—whether they involve training, benefits, or compensation.

APO is outsourcing the process of advertising the job vacancies for less than £15 per vacancy. You will be posting your job advert in UK's best job portals including niche job boards. You can built you database as well avoid inappropriate candidates from spamming your inbox.

SG Endure [Permanent Staffing Solution]

Our permanent staffing solution is practice is to supporting our clients as Employers of Choice resulting in them attracting and securing top talent faster, more economically and with a better return on investment.

At staff giant, all assignments are critical, all clients are invaluable, and all candidates are treated with the respect they deserve. We provide retained search quality on a contingency basis by developing long-term, lasting relationships with both clients and candidates. We get to know each candidate thoroughly.

Our extensive screening process includes a detailed phone screen, after which an in-person interviews. Our Account Executives invest a substantial amount of time dealing with each candidate one-on-one. Unique to our process is the time that we take to ensure the candidate is appropriate for the job role. Finally, we provide comprehensive skill assessment and refinement, detailed interview preparation and thorough reference checking.

SG Interim [Temp Staffing]

Our team has expertise in filling Temporary staff positions with highly skilled and efficient Candidates at competitive margins. We match their skills and experience with your Temporary requirements. Staff Giant's Temporary Staffing Division offers highly skilled administrative support professionals available at a moment's notice. You can expect thoroughly screened employees to arrive on time for daily, weekly, monthly or long-term assignments. We dedicate a significant amount of time getting to know clients and candidates alike to ensure an excellent match. We search for proactive, articulate, positive individuals who are reliable and possess solid experience. We are proud of the hands-on service we provide, not only to our clients, but also to our employees. We focus on building meaningful, lasting relationships with the most qualified candidates, which translates to familiar faces you can trust on your assignments

Staff Giant Global Sourcing

We persuade our clients to think global at Local, which gives our client's and candidates a global reach. We can also help remove the hassles in recruiting highly skilled foreign workers. Our background is not only recruiting but also immigration law. In case of paper works and visa our legal team will provide all services for overseas recruitment We can help your company solve its labour needs, both in the short term and long term as we are not confined by distance or location when we reach out for skills.

Our Clients

New Ideas Better HR

We would be delighted to manage your vacancy and source the right candidate for your current requirements whether is a temporary or permanent role. We believe only by leading our client to right talent we provide the best level of service. At staff giant we are committed to matching both the client and the candidate's needs for a perfect fit. Our mission is to develop long-term partnerships with our clients to provide innovative, professional search services. These relationships are built on integrity, commitment and mutual trust. By exceeding our clients' expectations, we advance the achievement of their goals, making staff giant one of the most sought-in the job market.

It's our business to know your business. We provide personalised service at a level of excellence that would not be possible from most staffing firms. We take the time to get to know you by asking detailed questions and listening carefully to your needs. Couple this human approach with our thorough screening process, and we are confident you will be impressed with the results.
